# Dedication

The '63 WARRIOR staff wishes to dedicate this book to Mr. James Hansen in appreciation of the work he has done for Warrenton High School. Through his tireless devotion to the Music department he has helped our school to achieve a distinction in the music world and has aroused a greater interest in the sports program.

## *Superintendent*

Mr. Richard B. Knotts and student

Mr. Knotts a man of wide scope, is constantly in step with the advances of science. As well as teaching Physics he helps the students, faculty, and public work together in harmony.

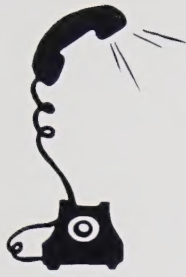

## *School Board Members*

School Board members are: Richard Alsbury, Bud Colby, Don Shaw, chairman; Armas Johnson, Keith Dyer, Arthur Charlton, Deauard Swindler, Forrest Hensley.

# Office: Business Center of WHS

Mrs. Thelma Coyle

No one could be more important to W. H. S. than Mrs. Coyle, office secretary. A very familiar face to all, she is always ready to assist anyone, has a sunshiney smile for everyone.

Office girls assist Mrs. Coyle by taking absentees, typing and answering the phone.

"I should like to thank the faculty and the Students of WHS for this year. It has been a very nice time.

Before I came here I wondered how it would be to attend a school where I did not know anybody and also would have a hard time with the language. But everybody has been very friendly to me and have always been ready to help me. You have given me a feeling of being accepted which I appreciate very much."

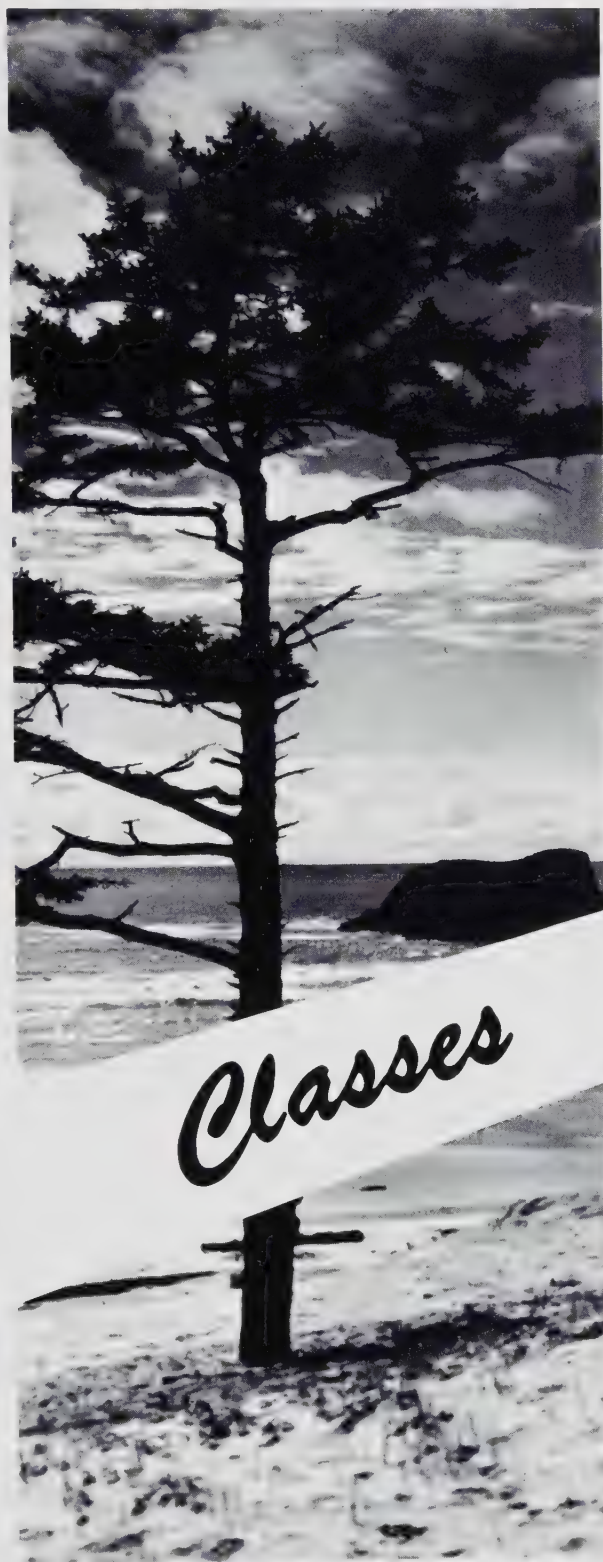

## *In Memoriam*

We express our sincere thanks for Mr. Roundy's devoted community service, and we gratefully acknowledge the many educational benefits which we have received as a result of the noble stature he displayed as he walked among us.

SENIOR CLASS OFFICERS: Earl Van, Eval. Officer; Pat Broderick, Pres.; Terry Johnson, Vice-Pres.; Barbara Rowley, Sec.; Kristine Anderson, Rep.; Mary Hitchman, Treas.; Not pictured: Mike Eastburn, Sgt.-at-Arms.

Being a SENIOR is an honor unequalled by any former position of title through the school years. That word sums up the achievement, activity and accomplishment with which Seniors are naturally endowed. Looking back at successful years, makes for many memories ranging from class work and projects to extra-curricular participation.

Our memories start with our first dance, Autumn Leaves, then came the "Welcome Frosh Dance" our Sophomore year. During our Junior year we presented the Homecoming, "Some Enchanted Evening", a class play, The Littlest Shepherd of Kingdom Come, a prom, White Rose of Athens, held in Seaside, and many other events.

Now comes the last step of this flight of stairs that leads into the future. This year we have sponsored the Christmas Ball, "Ice Palace", won the King Turkey contest, taken college exams, and in general, worried about our futures. Come May it will be graduation. WHAT THEN?

The Junior Class of 1962 successfully fulfilled the many demands that were placed upon them. Not only was their Homecoming, Witchcraft, a tremendous hit, but their play Seventeenth Summer, was also a "smash". Great things are expected of this class in the many months to come.

Their accomplishments are partially due to the hard working advisors, Mrs. Gibson and Mr. Clark. Also working hard is their class president Charles Teague.

When the new students first come into WHS they wonder what their new school life will be like. They come with ideas of hard work, mean teachers, and a fear of the upper-classmen. The first day they are meek little people trying to stay in the shadows and not be seen, but after the first or second day they form a new attitude toward the school, its teachers, and its students. From now on it will be their school and they will be proud of it.

# Math In the Students Curriculum

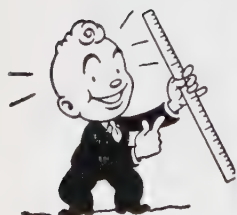

Trigonometry students exercise mathematical skills

Ability to evaluate is the result of the Algebra I students' work.

WHS offers a good grounding in mathematics. It is basic to many jobs today. The beautiful part of math is that it helps the student to think things out logically and to solve the problems of the modern world with the proper use of the tools of algebra, geometry, and trigonometry.

"If two triangles are congruent, the corresponding angles are equal."  
A Geometry student points out new assumption to the class.

## Science Enrollment Grows

(a) Physics students study reflection and refraction. (b) General Science learn about electricity. (c) Here students of chemistry mix chemicals and perform many experiments.

Science is a course for all and at W. H. S. Many new and different fields are open to the student.

Hungry girls look on as Katy dissects a frog.

## Office Training: Door to the Business World

Great opportunities can be found in the business world. Competition is keen. To secure adequate preparation, students at Warrenton High School are taught to carry out their tasks reliably and efficiently, and to accept responsibility.

Typing, Office training, shorthand and bookkeeping are offered.

Bookkeeping students learn to be accurate in their work.

# *Language Arts*

Learning to love and appreciate good books is but one of the advantages offered in literature courses at WHS. Language arts stress the attainment of skill in writing, speaking good English, and understanding the salting values to be gained through a study of our heritage of good literature.

English classes are informative and unusual.

In speech class, students learn the sacred art of oratory.

# Library . . . Source of Reference

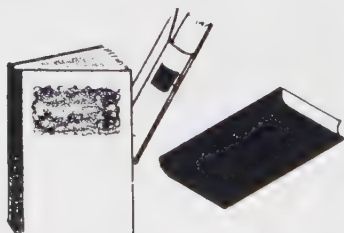

David Shultz, Terry Greer, Larry Snyder, Gerd Opedal, Sue Johnson, Donna Little, Irma Hoofnagle, Sharon Hutchens, Pauli Wiley, Dorothy Hollway, Michael Sherwood, Bev Gohl, Cheryl Jensen, Bev Miller, Burton Young, Terry Crites, Bob Searle, Ken Blanchette.

WHS students have access to an extensive library.

The W. H. S. Library is capably run by Malcom Frest. It offers a wide range of reference books, current magazines, newspapers and books covering every field of interest.

# Homemaking Requires Skill

Planning patterns, basting, cutting and sewing are all a part of this Home Ec. class.

Our lives are made more enjoyable because of the production of the craftsman, and our need for the things he makes gives him an opportunity for a livelihood.

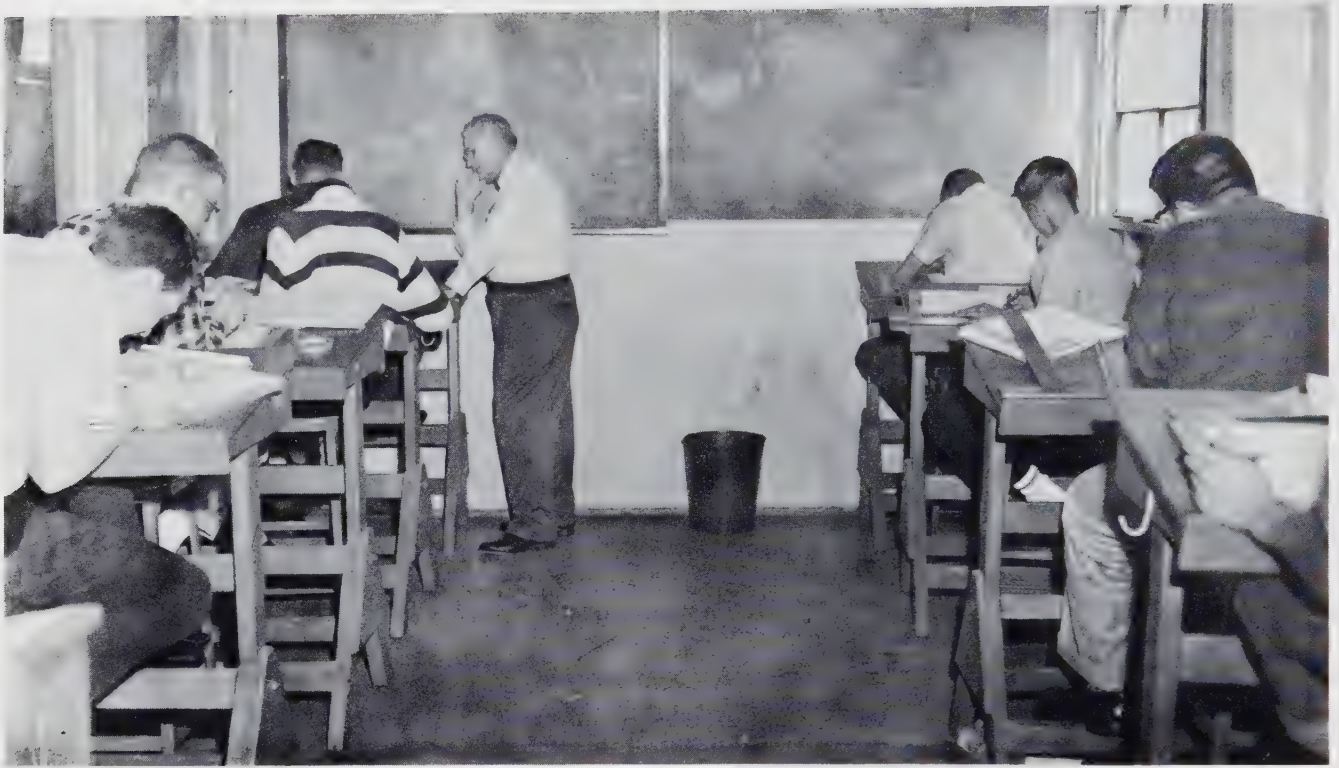

Knitting was something new in the home ec. classes this year.

Brewing their herbs and water are Susan Rogers and Katie Perry.

## *Industrial Arts*

Delicate measuring and high precision are necessary in all mechanical drawing classes.

Industrial arts seeks to provide basic skills with tools and equipment commonly owned by the people in general. Our shop has excellent equipment for developing an adequate knowledge and appreciation of modern industrial processes.

Using shop tools requires a great amount of skill.

Shannon Hartley works with delicate instruments.

Under the capable leadership of Mr. Atkins, Advisor, and Charles Teague, President, the radio club became an active part of WHS, learning Morse Code and how to operate a ham radio.

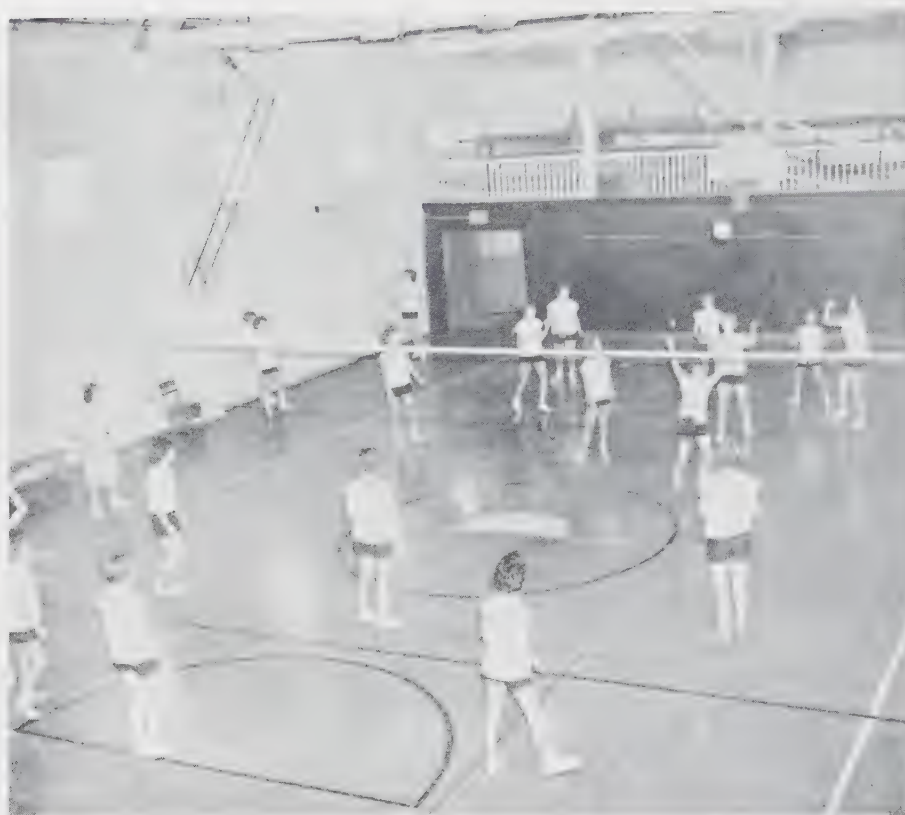

## Art

Some art students, under the direction of Mr. Laird, learned the art of working with leather. Others painted the board space above the lockers, with quaint and clever paintings.

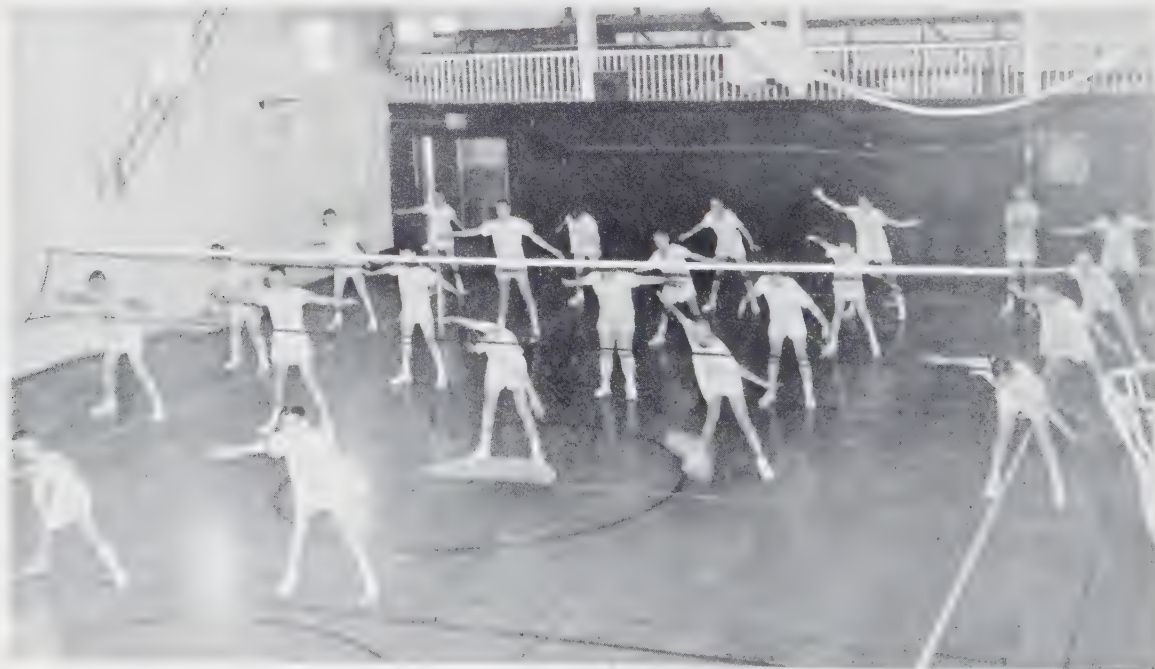

# Physical Education

Volleyball is a popular fall sport in girls' physical education classes.

Physical education not only builds strong bodies, but challenges mental alertness. The ability to work together as a unit is emphasized in PE at WHS.

In PE classes boys participate in youth fitness through calisthenics- of course.

## *Learning of World and Local Events*

Social Economics class studies current affairs.

As we progress and grow the need for knowledge becomes great. Not only must we know of math and science but also we must broaden our knowledge to include world events. In WHS geography, World history, American history and Social Economics are offered.

World History students learn of the Worlds past.

# *Student Council*

Student Council activities provide many opportunities for all students to cooperate with the student leaders and school officials to make school citizenship more meaningful. This year our student council was busy organizing assemblies, selling booster buttons, and promoting various school activities. Functioning as a team, they have brought about more understanding between students and faculty.

All students participated in a primary election for state, county, and local officials.

Here Student Council members discuss present school problems and their possible solutions. Student Council members are as follows: K. Anderson, J. Berg, P. Broderick, D. Cameron, K. Dunning, F. Estes, J. Fitcha, R. Galusha, L. Gramson, D. Haerer, P. Hensley, T. Johnson, L. Manke, G. Opedal, K. Ostgard, S. Rogers, N. Roundy, B. Rowley, P. See, T. Schultz, G. Sturgell, C. Teague, M. The National Honor Society was founded to stimulate the scholarship, service, leadership, and character of students in the secondary schools.

In WHS, the students must have a B average to be eligible. Clatsop Chapter was established in 1955 and has twenty-three members.

GAA OFFICERS, Left to Right: Jean Berg, President; Linda Garcia, Secretary; Julianne Bosshart, Vice-President; Wilma Williamson, Sgt.-at-Arms; Michaelae Sherwood, Point Manager; Karin Rawls, Treasurer; Trudy Enke, Sports Head.

GAA is a very popular club for all sports minded girls. With their active advisor, Mrs. Wallace, the girls enjoyed volleyball, basketball, and numerous other things.

The "W" Club promoted school spirit and enthusiasm throughout the year. They came out ahead in money matters by selling pens and having a basketball game with the home team. Ken Ostgard, president, was an able leader, aided by Mr. Nordlund, Advisor.

Left to Right: P. Wiley, J. Berg, J. Bosshart, F. Kimbrough, T. Enke, T. Potter, P. Hensely, M. Anderson, S. Rogers, K. Anderson, S. Johnson, M. Hitchman, I. Hughes.

FTA is Warrenton High's newest club. Its members, are those students who plan to become teachers in the near future. They practice their profession by helping the classroom teachers in their work and by taking their place as a substitute. They earned money to finance their needs by selling books at both high school, junior high, and at PTA. A very successful club that hopes to continue in the future.

OFFICERS: Leonard Hayes, V. Pres. ; Bill Shaw, Pres. ; Susan Rogers, Treas. ; Pat Hensley, Sec. ; Mary Hitchman, and Diane Cameron.

This year the annual staff worked hard drawing up layouts, cutting out and pasting in pictures, writing copy and sweating to meet deadlines. The Warrior Staff, led by Editor Darlene Haerer, worked long and hard throughout the year to make the yearbook a living picture of the past school year. Advisor to the group was Mr. Laird, who spent much time assisting the group as well as helping the photography department.

Warren Hubbard and John Little run off the paper on the mimeograph machine.

Much time is spent in putting out the paper. Articles must be written, typed, proof read, retyped on a stencil, and read again. It must then be ran off on the mimeograph machine, pages stapled together and finally passed out to the students.

All this and more goes into producing paper, a lot of sweat, rush, and frustration goes on behind the scene.

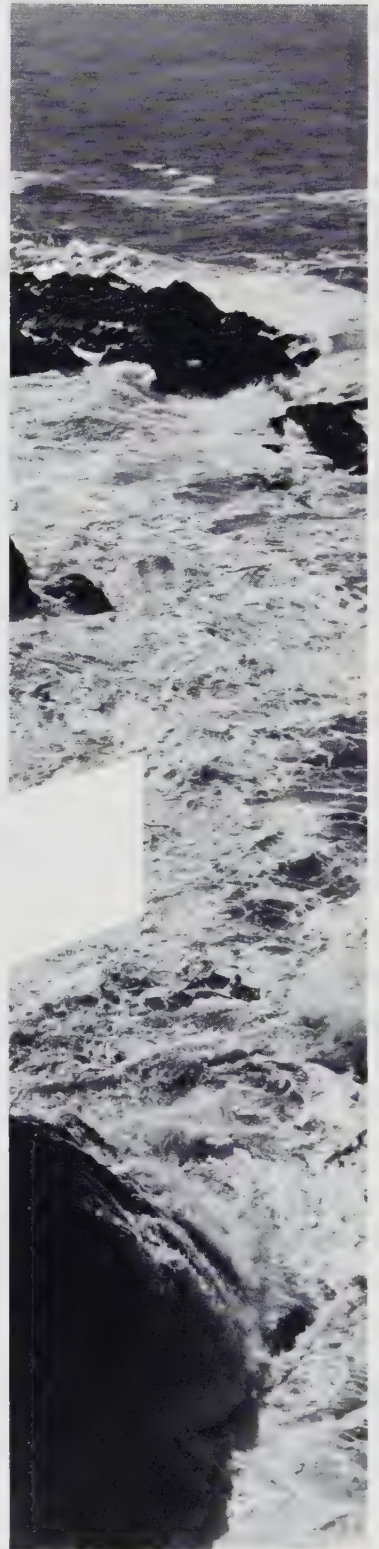

Spelling correctly and getting all facts correct is important in putting out a paper. Here two Smoke Signal members carefully proof read the copy.

The WHS Band directed by Mr. James Hansen, was part of the Pep Club and played at football and basketball games. It played at pep assemblies and added greatly to our school spirit. The concert band gave several concerts during the year which brought enjoyment to the students and the community.

The Warrenton High School Pep Band, under the direction of Mr. James Hansen, has added to the hot flame of school spirit demonstrated by the entire student body.

"Ice Palace" was the theme of the annual Christmas Ball dance, held after Christmas this year. Senior students spent Christmas vacation putting a canopy up and building a Christmas wonderland. Highlights of the dance were entertainment by Diane Wells and the coronation.

Everyone enjoyed the dance.

# Assemblies

Unander is the  
man for the...

....and I say to  
you that the only  
one able to do the  
job is Morse.

Distinguished guest at Warrenton High  
this year was Senator Wayne Morse.  
Mr. Morse spoke to the juniors and  
seniors on present day world problems  
and the part that the United States  
has played in helping to solve these  
problems.

Telstar, one of the latest inventions in com-  
munication, was explained to us by a repre-  
sentative of the Bell Telephone Company.

Ebb Woffard, senior representative, won the title of King Turkey.

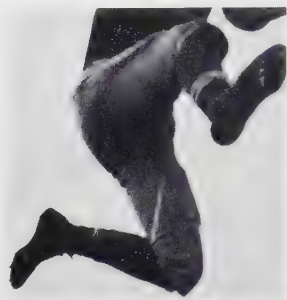

Enthusiastic cheerleaders, Warriorettes, and Majorettes created much school spirit this year. Performing at games and at assemblies, they lead the student body in various yells and chants. This year a new group the JV cheerleaders were elected to perform at Junior Varsity games.

The Reverend Lachman delivered the Thanksgiving message to the students at an assembly, presented by the Girls' League.

Up and Over!

Once upon a wicked bus trip to Vernonia this picture was snapped, and as usual Tim took his position right in front of the camera so that he couldn't be missed.

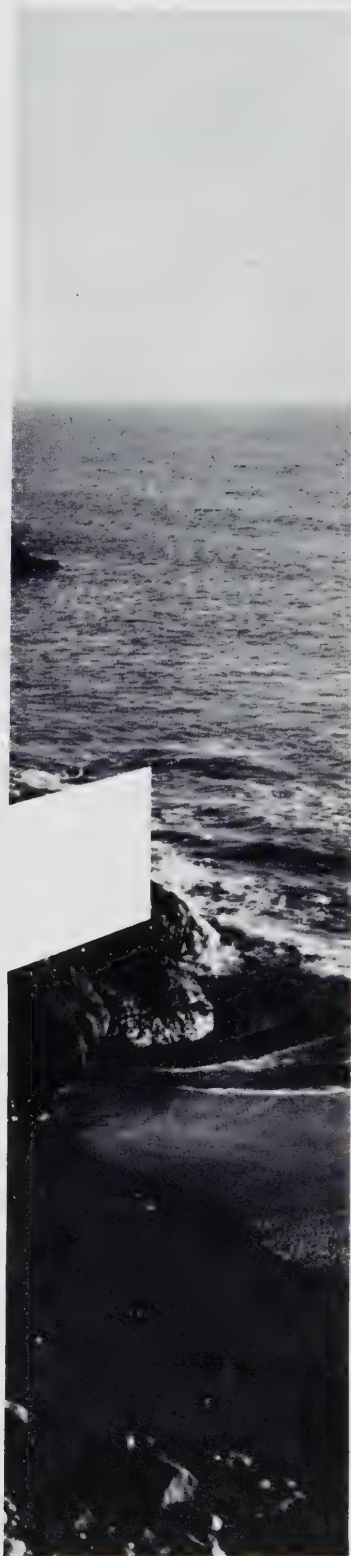

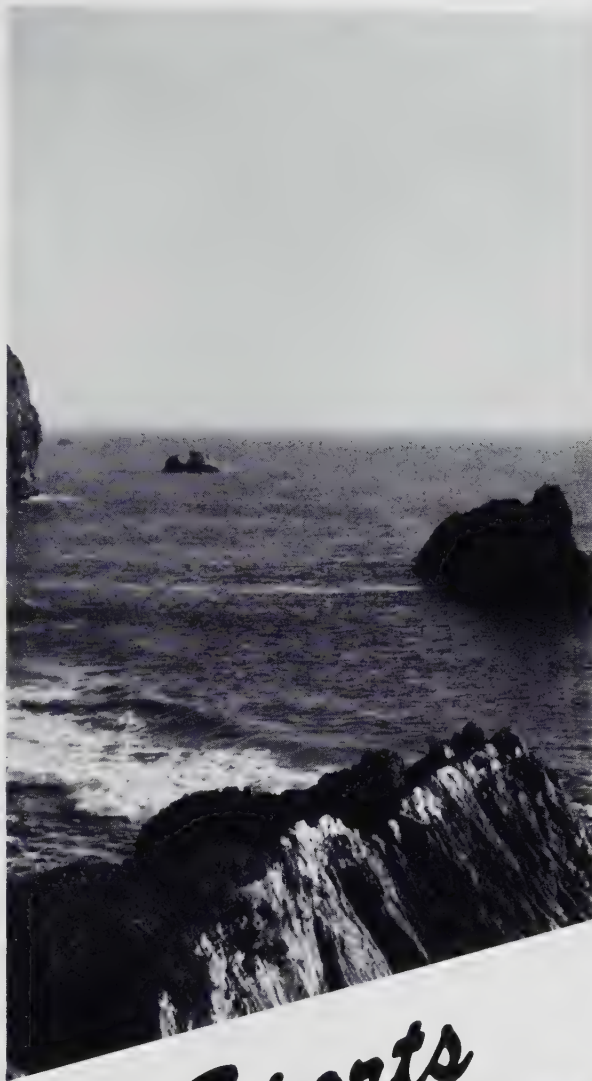

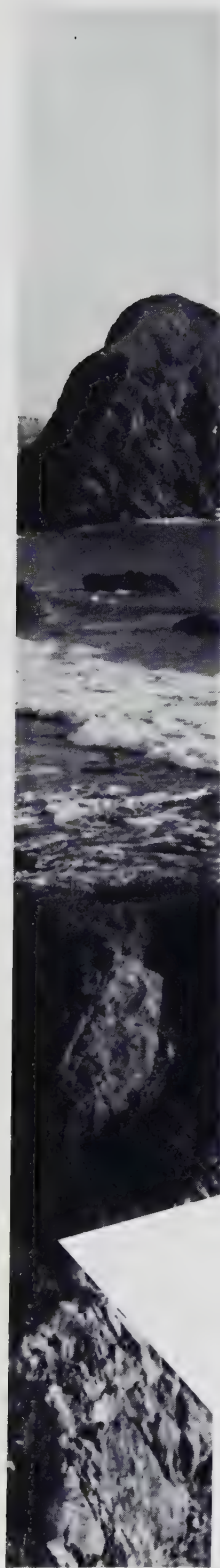

This is dancing? Many may look and wonder at students who are hopping around the floor in many unusual ways. Please notice the expressions on their faces. Well at least everyone tried once, even the boys.

Twilight Zone!

# Football for '62

The Warrenton Warriors under the leadership of Jim Smith completed the 1962 season with a 3-3-2 record.

Senior Earl Wafford was selected to the all league team and was chosen to play in the Shrine game.

## Varsity Basketball

Ron Massey was high scorer for the Warrenton Varsity team with an average of 10.6 points per game. We would also like to congratulate Loren Gramson, on making first team All League. Much congratulations is due the whole team, who has worked hard this year, to compile a league record of 5-3.

These five Seniors will be missed greatly next year.

The Warrenton Warriors came up in ranks this year placing third in the western division of the Cowapa league and just missing, by a narrow margin, the chance to go to the state play-offs. They closed the season off with a league record of five wins and three losses and a season record of eight wins and ten losses.

## Junior Varsity

The 1962-63 Junior Varsity consisted of, Left to Right: G. Barrick, R. Galusha, V. Massey, S. Lindsey, D. Ledgerwood, T. Caples, G. Caples, E. Mickel, Mr. Smith, J. Goodman, H. Kunkler, J. Smith, F. Hubbard, J. Watson, and D. Goodman. In center manager T. Hunt.

The JV's started out the season by winning only two of thirteen games. They then went on to compile a record of eight wins and twelve losses, winning seven of the last eight games. A much improved team that should come out way on top next year.

Coach Smith worked hard helping the JV's to perfect their plays.

The JV's perfect plays they will put into use during action in a forth coming game.

Ledgerwood hits with a jump shot. His team mates form a screen for him.

## Volleyball

The volleyball teams played mostly intramural games this year. The team that won first place in competition is pictured below. Left to Right: Trudy Enke, Jean Berg, Sue Thomas, Georgia Voelker, Linda Garcia, and Julieanne Bosshart. Mrs. Wallace the advisor of this group.

Practicing at a game that requires skill.

## Girls' Basketball

Frosh.-Soph. team won an unforgettable victory over the Sen.-Jr. team with a score of 25-12. New GAA members were initiated for half-time entertainment.

Those Girls on the Sen.-Jr. team were: W. Williamson, B. Gohl, T. Enke, P. Day, J. Bosshart, D. Cameron, K. Rawls, J. Darnell, K. Dunning, and J. Berg.

Cheerleaders, Ron Gillingham, Tim Shultz, and Ron Massey, performed snappy yells for the girls. (Bill Shaw, not pictured.)

## Basketball: Intraclass

Many fouls were called and the result was a lot of disagreement among the players and spectators.

Referees for the GAA game were Mike Sherwood and Alice Hitchman.

Junior, Merel Hoagland, shoots one of his specialties, but unfortunate for the Juniors, he missed.

Adding to the competition between classes was an intramural basketball game, played between Seniors and Juniors. The old adage that "the best team always wins" was proven true again, when the Seniors downed the Juniors, in a rough and tumbling game, by a score of 38 to 36.
